

# KWABENA ABOAGYE-HEMING

FRONTEND DEVELOPER / MOBILE DEVELOPER

## Profile

Proactive Frontend Developer skilled in creating dynamic, responsive web and mobile applications using modern frameworks like Vue.js, React, React Native, and Ionic Vue. Enthusiastic about transitioning to full-stack development, with a passion for problem-solving, performance optimization, and delivering seamless user experiences.

## Employment History

### Product Developer, Sorcertz Technologies Limited, Accra (Remote)

SEPTEMBER 2023 – PRESENT

- **Frontend-Backend Integration:** Collaborate with cross-functional teams to integrate frontend and backend infrastructure using Vue 2 & 3 and Firebase for real-time notifications.
- **UI/UX Design Implementation:** Translate complex UI designs into high-quality code, enhancing user interface and user experience with Vue.js.
- **Mobile Development:** Develop and maintain mobile applications using Ionic Vue, ensuring a consistent user experience across web and mobile platforms.
- **Responsive Design & Compatibility:** Implement responsive design principles and ensure cross-browser compatibility using VueBootstrap, VueGoodTable, ApexChart, and Google Maps.
- **Stakeholder Communication:** Present products to stakeholders, effectively communicating technical details and project progress.

### Frontend Developer, Harblot, Accra (Remote)

JULY 2023 – PRESENT

- **Agile Development:** Utilize Agile methodologies and participate in scrum meetings to ensure efficient project management.
- **UI/UX Enhancements:** Focus on UI/UX improvements, building a seamless user interface and experience.
- **Continuous Learning:** Engage in continuous learning to stay updated with the latest frontend development trends and best practices.
- **Feature Development:** Develop new features and maintain existing ones using React Native for mobile development and React for web development.
- **Git CI/CD:** Implement and maintain CI/CD pipelines using Git to ensure efficient and reliable deployment processes.
